Sir,

(E) I invite a reference to G.O.No.998 Ms. Development dated 18th July 1935 and request that the tenure of the Board of Visitors and of the Selection Committee for the Government Trades School, Mangalore may be extended for a further period of three years from 1st September 1938.

§3 supra 2/ I enclose a note of the attendance of the Members of the Board at the various meetings held during the 1st three years. It will be seen therefrom that all the members have been taking an interest in the development of the school. The present Collector of South Kanara who attended a meeting of the Board on the 14th June 1938, in the capacity of Ex-officio President,

A

District Board, suggested to the Inspector of Industrial Schools who is Secretary to the Board, that the Collector should be on the Board, though at the time the Board was constituted in 1932, the then Collector expressed inability to serve. I welcome the proposal and accordingly recommend that the Collector may be included in the Board as constituted in G.O.No.1186 Development dated 5th September 1932. It is a point for consideration whether the Collector should be appointed as Vice-President or whether the President, District Board should continue to hold that office.
